A spacious 2 bed, 1 bath first floor apartment with views across the golf course. The apartment features a large fully fitted kitchen, open plan lounge/dining area, two good sized bedrooms both with fitted wardrobes and a family bathroom. The property is being sold fully furnished and benefits from a large terrace, air conditioning, central heating and garage space. It has been very well maintained by the present owners and offers excellent value for money at the current selling price. The Hacienda Riquelme Golf Resort opened in 2007, consisting of 1,864 apartments laid out around a beautifully maintained golf course between the coastal town of San Javier and the City of Murcia in the east of the region. This Polaris World urbanization is fairly well occupied in the summer season, and the feeling of space on the 175-acre development is a noticeable improvement on some of the neighbouring projects in the heart of Murcia's golf country. As well as the beautiful golf course, there are two tennis courts, two paddle tennis courts, an outside gym, 5 lakes, six children's play areas and 19 swimming pools serving the 78 apartment blocks. At the centre of the development is the Cason, which now houses the resort centre and restaurant as well as a supermarket and the golf pro shop and there are several other courses within an easy drive.
